### In Class...

This week and last week we have been carrying out assessments to see where the children are up to in their learning. This allows us to see where there are any gaps so that we can help the children with their learning as we move forward.

In RE we have been creating some Easter art. We looked at the works of Stephen Whatley and used pastels to create our own works of art that portray the hope we find at Easter.

### Homework....

Please see the Easter Garden sheet that is stuck in the yellow Homework books this week.

It would be lovely to share some of these in class next week with the children if you can send them in or take photographs.

### Make a Wish Day

For our Lent Appeal this year we are raising money for Make a Wish. In order to raise money the children are able to vote for their favourite 'wish'. A vote is 50p and there is no limit on how many votes they can have.

The children can come to school in non-uniform for £1 donations. We are also holding a Cake Sale any donations to be brought Thursday or Friday morning.
