

Class 3 Newsletter

Spring Term – 21st January 2022

This Week

The children completed their intensive swimming sessions with gusto last week. I was so proud of the progress they all made but, more importantly, the resilience and attitude they demonstrated every day. This week, we have returned to a normal timetable, picking up our afternoon subjects and starting our new Science unit on Teeth and Digestion. The children had fun on Wednesday trying to place the parts of the digestive system on a human model wearing a bin liner! They identified key vocabulary and the functions of some of the organs. We have also started a new class novel, Charlotte's Web, and are busy completing shared reading tasks. Our Maths work on time went really well; try asking your child to tell the time at home! We have now started work on fractions. In our RE, we are studying the parables and thinking about Jesus as a teacher.

Reward!

Next **Friday, the 28th January**, Class 3 are having a Pyjama Day/Teddy Bears Picnic as a reward for winning the Best Class Attendance for last half term. Children can come to school dressed in pyjamas and bring a favourite teddy – please wear sensible shoes as we will be playing outside at break and lunchtime.

Reminders - Parent Governor ballot papers have been sent home – the deadline for returning these is 12 noon on Monday 24th January

Parents' Evenings – These will be held on Wednesday 16th and Thursday 17th March – more details to follow

Celebration

Well done to **Charlie, Sofia and Mia** for their excellent work last week, winning the certificates in Celebration

Worship. I am super proud of you!

Christian Value – Eva-Mae for showing compassion for others

Class Superstar – Micah for trying really hard in his Maths

Writer of the Week – Percysledge for a fantastic diary entry

Our Christian Value for this week has been
COMPASSION

Keep in touch!

Class 3 Open Door is now on a **Tuesday** from **3:20pm until 3:40pm** – Please feel free to visit our classroom and ask any questions you may have.

Alternatively, if you are unable to speak to me in person, please feel free to e-mail me at r.bolton@leacofe.lancs.sch.uk or ring school on 01772 729880 and make an appointment.

Next Week

Next week, the children will continue their work on Fractions in their Maths and we shall be looking at how to calculate different fractions of amounts using our knowledge of division and multiplication. The children will delve deeper into Charlotte's Web – we have sent children home with a personal choice reading book from our class library too, as we are promoting reading, inspiring children to develop a love of books which will help with their overall learning in all subjects in school.
