## Classroom News

We have been working hard in class this week to listen to lots of different sounds and see if we could work out what was making the sound. We have also been writing our names and recognising the letters in our name and putting them into the right order. We have also looked at numbers to 10 and have been singing lots of number songs to help us remember our numbers to 10. As part of our 'Magnificent Me' topic we have been looking at our bodies and been labelling parts of our bodies too. We even had PE twice this week and practised our jumping and moving around in different ways.

### SNACK

If you wish for your child to have a snack at morning playtime please send in a small piece of fruit or alternatively you can pay for toast. A healthy afternoon snack will be provided by school.

### BOOK BAGS

Please make sure there are no pencil cases or toys in your child's book-bag as they are not needed and take up more room.

## COATS

Please make sure your child has a coat, which is clearly named, everyday in school.

## Wellies

If you have any spare / old sets of wellington boots at home please bring them into school with your child's name in. Without them we may not be able to go on walks in wet weather.
