

## Home Learning for Class 3– Week beginning 29.06.20

Hello Class 3, I hope that you are well and enjoying your Home Learning. Remember, I would love to see any work that you have been doing. If you or your grown ups want to contact me, my email address is [r.bolton@leacofe.lancs.sch.uk](mailto:r.bolton@leacofe.lancs.sch.uk)

### Maths

**Warm – Up** – Which is greater – 3064 or 3036?

**Convince me that your answer is correct.**

Which is smaller – 4568 or 4378?

**Convince me that your answer is correct.**

Which is larger - 5839 or 6839?

**Convince me that your answer is correct.**

Remember to use your knowledge of place value to convince me!

Please access via the link below and select **Summer Week 9**.

**Year 3** - <https://whiterosemaths.com/homelearning/year-3/>

Angles, Lines and Parallel/Perpendicular– The video lessons remain online but the worksheets now need to be accessed via the Home Learning tab on our school website

**Year 4** - <https://whiterosemaths.com/homelearning/year-4/>

Money The video lessons remain online but the worksheets now need to be accessed via the Home Learning tab on our school website

**Depending on confidence level, you can move between the two sets of learning, if you are Year 3 and feeling confident as you progress through the week, have a go with the Year 4 learning. Likewise, if you are Year 4 and finding the work difficult, try the Year 3 learning first and work towards the Year 4 objective.**

I have found a new Multiplication game on Topmarks which is another excellent way of practicing your times tables. Ideally, you should be practicing every day in order to keep your fluency up.

<https://www.topmarks.co.uk/maths-games/mental-maths-train>

### English

For our Home Learning in English, I am recommending that you access the LPDS Home Learning **Read and Respond Units** found on the additional attachment to this plan. Remember, there is one for Year 3 and one for Year 4. Each one is going to last **2 weeks**

This week, **Year 3**, you will be looking at:

**Up, Up and Away!** Enjoy two weeks of defying gravity! Explore poems, stories and movies themed around the air and flying. Find facts and delve into the history of flight. You might possibly end up being blown away!

**Year 4s**, you will be doing **Water, Water!**

Two weeks of all things water! Marvel at magnificent waterfalls, take a stroll around some fabulous lakes, learn about the water cycle and enjoy some fabulous poetry.

**Reading Challenge** - This year Lancashire's Libraries will be inviting children to get silly for the Summer with their **Reading Challenge**. The theme of the Challenge for this year is Silly Squad, and we want to celebrate funny and silly stories all summer long! The Summer Reading Challenge will give you the chance to sign up and take part online, with the special [www.sillysquad.org.uk](http://www.sillysquad.org.uk) website.

**NEW!!!!!!!! Grammar and Punctuation Challenge** –

Learn/revise adverbs by watching this really clear video

<https://www.youtube.com/watch?v=pRTCQTHZsVc>

Now further investigate **adverbs** by watching the short animation and completing the questions

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zgsgxfr>

Can you write some sentences using adverbs?

### **Home Learning for Class 3– Week beginning 29.06.20**

Hello Class 3, I hope that you are well and enjoying your Home Learning. Remember, I would love to see any work that you have been doing. If you or your grown ups want to contact me, my email address is [r.bolton@leacofe.lancs.sch.uk](mailto:r.bolton@leacofe.lancs.sch.uk)

#### **Other**

Our **History** topic this half term is The Great Plague

- How do you think the following people would feel about the Plague?  
**Doctors, children, rich families, poor families**

Describe their feelings and why they may have felt that way

You could draw the four different groups and use speech bubbles to describe their feelings or write a diary entry for one of the groups.

**Science** - This week we are thinking and working scientifically. Choose one (or both) of these questions, research the topic a little, find evidence on the internet or in books and then answer fully, giving reasons for your answer and trying hard to use scientific vocabulary.

- What if plastic had never been invented? How would this change the world around us?
- What if all the trees in Preston were cut down?

**Computing** – Over the next 2 or 3 weeks, create a powerpoint all about the Great Plague – add images as well as text. You could arrange your powerpoint into sections eg symptoms, how it spread, plague doctors etc. Send your finished powerpoint to [r.bolton@leacofe.lancs.sch.uk](mailto:r.bolton@leacofe.lancs.sch.uk) and I will put it onto our class area of the website!

**Art** – What did the buildings and houses look like in the seventeenth century (at the time of the Plague)? Sketch a picture of what you discover.

**PE** – Don't forget to take part in our Lancashire School Games Virtual Festival – we are holding this at school on Tuesday so you could do it at home on the same day. <https://lancshireschoolgames.co.uk/spar-lancashire-school-games-virtual-festival-30th-june/>

#### **RE**

Last Sunday, the 21<sup>st</sup> June, was **Father's Day**.

This week, i would like you to do some research from the Bible to answer these quiz questions about biblical dads!

1. Who gave Joseph his Technicolour Dream Coat?
2. Which famous father in the Bible built a boat?
3. Which father had a very sick daughter who Jesus healed?
4. Which Old Testament father was asked to sacrifice his son to God?
5. Who was the first father in the Bible?
6. Which famous dad was a carpenter and married to the mother of Jesus?
7. Who was the first father to be made by God?
8. Who was the oldest father in the Bible?

**Challenge** – Can you draw one of the characters above and do a Think, Say, Feel bubble for them?

The Lord's Prayer begins with the words 'Our Father, who art in Heaven...'  
Who is this referring to and why is he **ours**?
