

Year 1 Round Up

What an incredible journey our Year 1 class have had this year! From the very start their energy has burst through in every corner of the classroom.

We've worked tirelessly in Phonics, building strong foundations that will carry them confidently into the world of reading. Their brilliant class worship was a true reflection of their creativity and growing self-belief—it was a moment that made us all so proud.

One of our highlights was the exciting trip to Blackpool! They loved the 4D cinema experience, were wowed by the Circus acts and braved the trip up to the top of the tower. Back in class, snuggle buddies brought comfort and joy and we were very eager to have one each day. Creativity bloomed when we welcomed parents in for a very special art session—what a delight to see you working together!

Bog Babies were born from wild ideas and careful hands, and our classroom was filled with tiny magical creatures. We explored cultures through Jewish food tasting, bravely sampling new flavours and learning about traditions in the most delicious way. Pancake Day brought giggles and gooey batter-filled fun, and the Snow-White pantomime as a big hit, enjoyed by all!

Autumn saw us harvest apples and whip up a dessert together—just one more way our class turned learning into hands-on learning. The Doubles song became an unforgettable tune, echoing through the classroom. With the Rekenrek by their side, our learners truly mastered key maths concepts, building confidence with every click and count.

Our Year One classroom has been full of music, drama, and lively personalities. We are proud of the progress that has been made.

You've made this year unforgettable!

Enjoy your Summer Break. Mrs Lucarelli, Mrs Bamber and Miss Wilson

Notes for September

After trialling having PE kits in school this year, staff have given careful consideration and now decided that, from September, children will have PE days and will come to school dressed in their PE kit for the entire day. These days will be communicated to you in September.

Please note that children only need to bring their coat and reading folders into school. As a school we are limited on space and rucksacks and large bags are not necessary. Also, **NO** large water bottles/ Stanley's due to space within the classroom.
