This Week...

In English we focused on poetry. Our class library had a selection of poetry books for the children to read and we shared a variety together as a class. We adapted a rhyming poem, using description words, for the Poetry assembly. The children did a fantastic job at performing the poem with each child having their own part.

In Maths we have been subtracting. We introduced the $-$ symbol and have been solving word problems and calculations.

In Phonics we have looked at our phase 4 high frequency words and multisyllabic words (words with more than 1 syllable)
