

Year 1 Home Based Learning Plan

Reading/Phonics

- Please read daily using the books sent home or books you have at home.
- Most children are working on Phase 5 Sounds and can practice these sounds on: www.phonicsplay.co.uk they will also find it helpful to revise Phase 3 and 4 also. This website may need an adult to sit with them to ensure they are reading the words correctly before completing the task. This can form part of their 'daily reading'.
- Other useful links:
<https://www.roythezebra.com/>
<https://www.starfall.com/h/ltr-classic/>
Search ictgames.com - select English Games (these games are tablet friendly!)

Maths - All games are tablet friendly

- Hit the Button: <https://www.topmarks.co.uk/maths-games/hit-the-button> - Number bonds, doubles and halves.
- Subtraction grids <https://www.topmarks.co.uk/maths-games/subtraction-grids> - up to 20.
- Mental Maths Train <https://www.topmarks.co.uk/maths-games/mental-maths-train> Addition and Subtraction
- Caterpillar Ordering <https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering>
- Shape Patterns <https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>
- Toy Shop Money Game <https://www.topmarks.co.uk/money/toy-shop-money>
- Helicopter Rescue <https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>
- Measuring in CM <https://www.topmarks.co.uk/maths-games/measuring-in-cm>
- Blast Off <https://www.topmarks.co.uk/learning-to-count/blast-off>
- Coconut Odd or Even <https://www.topmarks.co.uk/learning-to-count/coconut-odd-or-even>
- Place Value Basketball <https://www.topmarks.co.uk/learning-to-count/place-value-basketball>

Other Sites

Busy Things

All the children enjoy Busy Things which has a range of activities and games from different subjects. This site can be accessed ONLY WITHIN SCHOOL HOURS the site is shut down outside of these hours and you will be unable to access the games.

www.busythings.co.uk

Username: leaendowed

Password: class1

Twinkl

If you would like to print out paper based activities, Twinkl are offering one month free. To set this up go to www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS.

For a wealth of additional activities provided by Lancashire County Council, please see Support for Home Learning Plan in our class area of the website. Activities provided below are specific to Year 1 and are linked to the topics we are doing in class this half term.

We are sending an exercise book home for the children to use- they are welcome to decorate/personalise it with appropriate pictures & words.

THE GREAT OUTDOORS

BUG HUNT

Find creatures and bugs in your garden and see if you can find out what they are called.

2s 5s and 10s

All year 1 children should be able to count in 2s 5's and 10s. If you already can try counting backwards in 2s 5s and 10s or try counting in 10s from different starting points e.g. 15, 25, 35 etc.

Outdoor themed cooking

Could you design a menu for a picnic or for a campfire? Maybe you could even have a go at making it. Or you could try an outdoor themed recipe e.g. a cake that looks like a bug or a pizza that looks like a garden.

Fraction Finders

Can you cut or chop things into EQUAL PARTS?

Or can you share out amounts of things into halves or quarters?

Write a story

Can you write a story based on the outdoors? You could change the characters in The Gruffalo or adapt The Bear Hunt story or even make a new story all of your own!

Tell the Time

Learn to tell the time on an analogue clock to the hour, half past the hour and if you really want a challenge, learn quarter past and quarter too as well!

You could use:

<https://www.topmarks.co.uk/time/teaching-clock>

Can you make a bug hotel?

Use old bits of wood and stones etc to make a place for insects to live.

Recounts

Write a diary of your time at home. Let us know what you are doing with your days off so that you can share it when you get back to school.

Forest school

Can you name the bushes, trees and plants in your garden? Look at the shape of the leaves or the petals and see if you can find out what the plants are called. You may find this website useful. Look under the 6+ activities.
