"The Great Outdoors"

Learning this Week

We have continued with our new topic theme of "The Great Outdoors" this week. The children have responded wonderfully and tackled all of their learning with enthusiasm.

We have been identifying past and present tense in our English and grammar work and enjoyed activities linked to the story "For Everyone to Share", writing character descriptions and planning our own stories about little Mouse.

In our Maths work we have been using bar models, part whole models and equipment to solve addition and subtraction calculations and problems.

This week in our RE work we have focused on Easter traditions in Germany and made our own Easter cards. We discovered lots of Easter traditions come from Germany and discovered some unusual traditions that are only celebrated in Germany.

In our Science lessons we have been exploring micro-habitats in our school grounds and finding out which creatures are alive and living there at the moment.

Your child will receive a Home Learning pack with a book, pencil, reading books and a copy of our class project and learning plan for Year 2.

I have also included paper copies of phonics and comprehension activities for your child to complete if you have limited access to websites. There is information included about suitable websites that will support your child's learning.

Teacher's Message

Dear Parent or Carer,

We are all faced with many challenges at the moment but I hope to continue to support you and your child with their learning through the coming weeks or months.

I hope you find the learning packs and online learning suggestions helpful and I will inform you of new learning activities for your child as they become available for you to access.

You will be updated via the school text messaging service as needed with regard to these.

Miss Courtney and I would like to take the opportunity to thank you for all your support this academic year and wish you and your family strength and good health in the coming weeks.

Happy Mother's Day to all our wonderful mums and God Bless you and your children.

Mrs Ramsay and Miss Courtney

Students of the Week

To all of Class 2 for their strength and resilience this week.

Keep shining your lights brightly

Well done!
