

A final letter to the Class of 2020: Libby, Poppy, Jaidon, Daniel, Connor, Keinan, Noemi, Harley, Logan, Maisie, Dylan, Cayden, Millie, Bronti, Jake, Jaiden, Lilly, Dominika and Holly!

I can't believe we are about to enter the last few days of the summer term now and you are almost ready to take the next step on your journeys; off to high school! This year has been so unique and strange in many ways but it has been YOUR year and part of God's plan for you! You have all really amazed me with your resilience and positive attitudes towards everything that has been thrown your way! You are all fantastic! ☺ It was so wonderful to see most of you on Wednesday afternoon on the field and watch you receive your special bibles, that I hope you will read and treasure for life.

As it's the end of the year I've been thinking back to everything we did prior to the lockdown. I loved watching you meet your buddies and seeing how you looked after them with such care and compassion. I beamed with pride at Bethany House when you sang your hearts out and chatted to the residents – it was wonderful to see. I shed a few tears when you performed The Polar Express Song so beautifully at Christmas. I watched you overcome fears and anxieties at Borwick Hall, as you met challenges and spent time happily with your friends. And you worked so hard at arithmetic, comprehension and SPAG – preparing for SATs tests that you never even sat!

As you leave Lea Endowed, take with you the memories and the lessons you have learnt. Remember God will be with you as you go – He is always there if you need Him. Remember to treat people how you want to be treated and to show compassion and care to all the people you meet. Remember we are not all the same and give respect to others, even if they aren't like you! Remember to do the right thing (even if no one is watching)! Always go the Extra Mile and let your light shine brightly in all you do.

I have loved being your teacher and I will remember each and every one of you. Please come back and visit us when it is safe to do so. Get out there and be fabulous – I know you will be ☺

With much love and prayers,

Miss Morris ☺ x

PS. I am still working on your Virtual Leavers' Service and it will be available to view next week ☺
