Our theme this half term is **Friendship**

We are now over half way through the first half term and the children (and staff) are all working hard towards achieving their targets. Please ensure your child is getting plenty sleep and a healthy breakfast in order to make the best progress possible during their school day and achieve their full potential. The teachers "Open Doors" are all up and running so please check out their individual newsletters for details of when you can come and see your child's work or talk to the teacher about any worries or concerns.

This year we are continuing to celebrate diversity and increase children's understanding of other cultures. As part of this process, we are aiming to celebrate the cultural background / heritage of our school family eg; my Scottish heritage; I was born and bred in Edinburgh! So far we have discovered we have Australian, Canadian, English, German, Hungarian, Indian, Irish, Polish, Scottish, South African and Zimbabwean heritage. We are collecting flags from each of these nations to demonstrate our rich cultural family. Please let us know if we have missed any other nations from your cultural/ethnic backgrounds, so that we can celebrate them too!

#### Mrs Seagrave's Good Manners and Respect Award

Last week, Jake B won my special award. Jake has had a great start to Year 4 and is trying hard to set an example to those around him. Well done Jake. We are very proud of you.
