## Autumn Term – 14/10/2022

### LEARNING IN SCHOOL

In English, we've continued 'The Lion, the Witch and the Wardrobe', focussing on the character of Mr Tumnus. In Maths, we have begun a calculations unit on addition and subtraction. In Science, we replicated an investigation by Leonardo da Vinci about Friction. In RE, we thought about the friendship of Jonathan and David as well as exploring psalms written by David. We also learned Psalm 148 from memory and performed it as part of Poetry Week. In PE, we've continued our ball handling skills in basketball. In Art, we are developing our artwork in the style of Stephen Wiltshire. In History, we've been thinking about Tudor houses and Tudor food. In Computing, we have further thought about input devices, the processes they make and their outputs.

### HARVEST APPEAL 2022

**Before**

**After**

A huge thank-you to those who have supported our appeal this year. Please remember to send in sponsor money for our gardening. Here is how we got on.

## HOME READING

Your child has a free choice as to which book they bring home. They can choose from a range of genres which is stuck in the front of the Reading Record. They can read one from each genre per half term.

**I want to encourage you also to read to your child as this is a wonderful way for them to experience a book in a different way. I'm reading to them every day.**

## Behaviour and Manners Expectations

We have noticed in school a slight decline in the standard of some children's manners. Please remind your child/ren that being polite, using manners, listening to grown-ups and following their instructions, allowing adults to pass through doors first are ways that set us apart as a school.
