

Class 3 Newsletter – 12.7.19

This Week...

We have been writing prayers for members of our school family, a Lea Endowed tradition that the children always excel at. We have continued reading 'The Boy at the Back of the Class', and have written a diary entry for the narrator as they attempt to speak to the Queen herself about the plight of their refugee friend. We have been tackling grid method multiplication and the children have been really challenging themselves, showing great progress over the week. We have been preparing bunting for our Tree Party next Tuesday and have also created Road Safety Posters for a Lancashire County Council competition.
