Courageous Advocate

On October 12 1945, US Army medic Desmond Doss became the first conscientious objector to be awarded the Medal of Honour. He wanted to do his part, but for him that meant saving lives, not taking them.

How many men did he save?

Reception Classroom News

Friday 11th June

This week we were very excited to see our friends again after our lovely half term break. We have started our new theme 'At the Seaside'. We have been learning our doubles in Maths and have learned that double 1 is the same as 1 + 1. We are beginning to have instant recall of doubles to 10. In RE we are thinking about prayer. We looked at the different ways we send messages to people, and talked about how our prayers send a message to God. We visited the outdoor classroom and wrote a prayer thanking God for the beauty all around. We are looking at the different materials that are used to make the things we use. We sorted objects made from paper, wood, plastic and metal.

Next week...

We will be looking at the story of 'The Rainbow Fish' and thinking about the message behind it. We will be talking about visits we have had to the seaside, and thinking about the different things we might find there. In RE we will learn about the Lord's Prayer that Jesus taught us. We will use our senses to explore different materials, and talk about what they are like.

Diamond 9

Our Diamond 9 word this week in class has been 'Unique'.

Curriculum Award – Molly, for fantastic progress and developing a great love of reading.
Christian Value of Hope Certificate – Isla, for starting each day with joy and enthusiasm.

Reminder

Please send children to school with a clean bottle of water every day. Now that summer is here please send in a named sun cream that we can keep in school. The travel sized ones are ideal! Please could we ask that you apply it before school and then the children can top it up throughout the day, Thank you for your support.
