

Hello James, Jack, Ethan, Louie, Sam, Kobi, Jess, Rosalie, Georgia, Maisie, Sharlyne, Wiktorina, Bobby, Grace, Nabila, Lily, Harrison, Archie & Leon,

Now this week has been a little different for me as I am now back in school teaching every day. Some of the children have also returned to school after learning at home for the last few months. Well done to Lily, Jessica, Louie, Harrison, Sam, Archie and Rosalie who have been superstars this week, coming into school with such big smiles every day. You have all made such a big effort with your learning and we are all so proud of you. To the rest of Reception, who are still at home, keep up the good work and keep trying hard in all that you do. I have had photos of Kobi this week who has been writing his tricky words out and his handwriting was amazing. Well done Kobi!

It has been lovely to see some new faces back in school again, but we have missed the rest of the class. You are all in our thoughts and prayers and we look forward to being able to see you all again soon.

Congratulations to Jack who has a new baby sister at home, I know that you will be a great big brother to Jessica as you are to Charlie. We can't wait to hear about all the stories of your baby sister when you return to school.

Some of you might not know but this week Harley has moved to a new family and will be joining a new school, near his home. We were lucky enough to say goodbye to him on Tuesday from a distance. We have really enjoyed having Harley in our class this year and we will all

certainly miss him. We send him lots of love and prayers for him in his new adventure!

Now this week, it was clear to see how much you have all been growing whilst you have been at home. I think some of you might have grown out of your clothes and they might be too small for you now!

If you have any uniform that is too small, you can now donate clean, unwanted uniform to the Community

Gateway Uniform Bank. You can find out the details for where you can make your donations, on the school website.

Please remember to keep safe and happy. Remember that God is helping us get through this tough time and He is always listening to you, when you need Him. Remember it is okay to sometimes feel a little worried, scared or unsure of all the things that are going on in the world right now. Remember to keep listening to your grown-ups, keep trying hard in all that you do, keep smiling and keep shining brightly!

Lots of love,

Mrs Bamber
