

#### **LEARNING THIS HALF TERM**

In **English**, we have been reading the P G bell book "The Train to Impossible Places". The class will be writing chapter 3 this Friday.

In Maths, we are finishing a unit on fractions. Next week we will be starting a decimals unit.

In **RE**, we have started to explore the Easter unit about a story of betrayal or trust.

In **Science**, we have just started a biology unit on plants. This week we enjoyed a lesson on the parts on plants and what each part does.

In Geography, we have just started a European unit called "Italy".

In **Computing**, we will be looking at audio editing, where the children will use the Audacity app. In **PE**, we have continued with our gymnastics work showing how important it is to be strong and performing a sequence of movements.

# STARS OF THE WEEK 3rd March

The **DIAMOND 9** award for **CHALLENGE** goes to **Oliver** for observations in Science.

The **CURRICULUM** award goes to Edward for excellent work in fractions.

The **CHRISTIAN VALUE** award for **Respect** goes to **Eva-Mae**. Her good manners towards everyone are a joy to see.

### **HOME READING**

Your child has a free choice as to which book, they bring home. They can choose from a range of genres, which is stuck in the front of the Reading Record. They can read one from each genre per half term. Encourage your child to try something new with the books they are choosing. The list is to provide a variety of choice, not just a tick list to get them done.

I want to encourage you also to read to your child, as this is a wonderful way for them to experience a book in a different way. I'm reading to them every day.

## **DATES THIS TERM**

<u>Parents' Evening Dates will be rescheduled on Mr Bateman's return – apologies for any inconvenience.</u>
