### Classroom News

It has been a fabulous week getting to know each other and I am looking forward to an exciting year ahead. The children have made great friendships already and have been working hard on learning about how to behave in school. We have been using our listening and speaking skills in the classroom and have learnt how to line up and get our dinners in the hall. Our buddies have spent a lot of time with us this week helping us learn about where things are in school and how we can play outside.

#### SNACK

If you wish for your child to have a snack at morning playtime please send in a small piece of fruit or alternatively you can pay for toast. An afternoon healthy snack will be provided by school.

#### WATER BOTTLES

Please make sure your child has a water bottle each day in school which is clearly named.

#### BOOK BAGS

Please make sure there are no pencil cases or toys in your child's book-bag as they are not needed and take up more room.

### Wellies

If you have any spare/ old set of wellington boots at home please bring them into school with your child's name in. Without them we may not be able to go on walks in wet weather.
