### Classroom News

**Friday 16<sup>th</sup> October 2020**

This week we have carried on looking at our story 'Only You' which includes fish under the sea. We have talked about animals that live in the sea and labelled the parts of a fish and shark. In Maths we have started to look at weight and understand items that are heavy and light. In R.E we have continued to talk about God's world and we went on a walk around the school grounds to look at the wonderful things God has made. We talked about how litter is not good for our world and when we found some litter outside, we collected it and placed it in the bin to keep God's world tidy.

### Homework

It is important that the children complete a piece of homework each week and bring in on **MONDAY** as we share this with the rest of the class. The homework can be found at the front of the yellow book which comes home on Friday.

### Harvest Appeal

We will be carrying out a sponsored walk around the school field to raise money for TearFund. We will carry buckets of water to help the children understand how difficult it is for people in the world who have to walk 10 hours for water. More details can be found on Mrs Seagrave's newsletter.
