Sponsored Reading Week...

This week we have been focusing on reading and trying to raise the profile and create excitement. Hopefully the children are well under way with reading some of their own stories at home.

We've been diving into books to explore settings, characters and plots. On Wednesday we had fun listening to stories and eating biscuits with our Teddy Bears. On Thursday we had a book Scavenger Hunt and enjoyed trying to find the different items in our class books. Thank you for your support in helping us raise more money to buy books. All sponsorship money to be in by the 17th March please.

Showcase....

Our Parent Showcase is taking place next Wednesday and is a fantastic opportunity for you to work with your child in class. We will be getting creative by making a new puppet as part of our Design & Technology work. It would be great to see as many parents as possible but we also understand many of you are working. Please can you let a member of class know if you will not be attending the Year 1 Parent showcase (our emails are below).
