## **Learning this Week - "Magnificent Me"**

Well done Class 2 on a brilliant Poetry Recital. I am so proud of everyone for learning their lines so well and contributing their ideas for performing the poem. Fantastic recital Class 2 ☺

In **English**, we will continue listening and writing performance poetry, which we are enjoying. We will also read stories from the Bible to familiarise ourselves and discuss which our favourites are. We will sequence and discuss the main events, and also make inferences. We are becoming excellent writers when retelling stories.

In **Maths** we will continue building on our knowledge of addition and subtraction.

In **RE** we will look at holy books from other faiths to find out more and discuss the significance of the holy books from faiths, other than Christianity.

In **History** we are deepening our understanding of the past to begin to understand why people behaved the way they did. We have had excellent discussions in class and many children have asked thoughtful questions.

## **Students of the Week**

**Christian Value Award Certificate - Max**

**Curriculum Award Certificate - Emily**
