Classroom News

Friday 9th October 2020

This week we have looked at a story called 'Only One You' and learnt that we are all unique. We have been talking about the messages from the book such as looking for friends, making wishes, not giving up and how we can make the world a better place.

In R.E we have been talking about how God's world is sometimes ruined by litter and talked about how we can help look after the world we live in.

Homework

It is important that the children complete a piece of homework each week and bring in on **MONDAY** as we share this with the rest of the class. The children really enjoy sharing with others what they have been doing at home and it gives them a great sense of pride. Please send photos to a.bamber@leacofe.lancs.sch.uk

Black History Month

October marks Black History Month, a time to reflect, look forward and celebrate the here and now- and the future possibilities for black people. We shall be talking to the children about this important event, and share with them their varied and amazing achievements Don't forget to check out the 'Parents' Guide to Black Lives Matter' available under the Parents tab on our website.
