

# Mary Anning Homework Projects

Summer 1 2022

In Science, we are investigating **Rocks**. A significant scientist in this field is **Mary Anning**.

Your task is to create a fact file about her. **This must be hand-written using A4 paper**. You can include images from the internet, but these need to be glued into your final project.

You need to include the following pages:

- A front cover (this needs your name, the title of your project, some relevant images and keywords)
- A timeline of Mary's life (her life, her death, significant events etc.)
- A diary entry from Mary's perspective
- A newspaper front page from the day after she discovered her fossil (see separate help-sheet for details to include)
- Your own recreation of *Duria Antequior* by Henry de la Beche

## Extra Mile Challenges:

- Include a crossword or wordsearch puzzle using at least the following words:  
*Dorset, fossil, geologist, Ichthyosaur, Jurassic Coast, Lyme Regis, Mary Anning, pre-historic, rocks, scientist, skeleton, Tray*
- Create your own fossil

**The deadline is Monday 23<sup>rd</sup> May 2022.**
