

Dates for the diary

- 9th April – Easter Praise @10am (all welcome)
- 10th April – Close @2.00pm for Easter break
- 22nd April – Summer term starts
- 7th May – Reception Showcase @ 1.45pm
- 21st May – Reception trip (letter to follow soon)
- 26th May- 9th June – Half term

Reminders

- Mondays – book bags returned
- Wednesdays – library books
- Thursdays – Phonics & Homework books

Children may bring a small **named** sun cream into school to apply by themselves on sunny days. Please practise applying it over the Easter break!

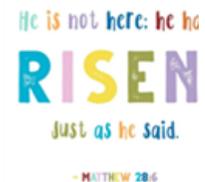

Reception Spring Round-up

This term has absolutely flown by and we have filled it with learning and fun! We have loved our Science topic, learning about and growing different plants. We learned what a botanist is, and several of us fancy being one when we're adults. We loved learning 'Hosanna Rock' to share with you at Easter Praise. We have learned what happened to Jesus in the run up to Easter Sunday, and have talked about the different feelings the story makes us feel. We've also been thinking about our feelings in PSHE, and learning how our words as well as our actions can hurt other people. We have been finding out how seaside holidays have changed since Victorian times and comparing it with our own experiences now. We have been learning how to throw and catch carefully, and have enjoyed taking part in simple team games. We are very competitive and cannot wait for Sports Day next term! We have been making the most of the unusually warm Spring days and spending more time on the field and outdoor classroom.

I wonder what we will learn in our last term in Reception!
The Reception Team

Hopefully the weather will continue to stay warm and dry. Please ensure that your child has fresh water every day and a sun hat for the summer. Please could you check that all uniform items are clearly named over the Easter break? Thank you.

Showcase – 7th May

We would love to invite parents into school to work alongside us on a DT project. We will work together to create an impressive puppet! It will give you a chance to experience what it's like to learn in our Reception class.
