Autumn Term - 07/12/2018

This Week

In **English** this week, we have continued with our genre of newspaper writing. We have empathised with residents and workers in California, have researched the facts of what happened last month and have planned our own newspaper ready for next week. In **Maths**, we have extended our understanding of decimals, beginning to compare them to fractions. In **RE**, we continued to look at the two Biblical accounts of the Christmas story through Christmas Carols. In **Science**, we carried out the investigation we planned last week about dissolving. In **Art**, we focussed using a variety of medium to make Egyptian pharaoh headdresses. In **History**, we explored the building of the pyramids.

Thank you to everyone who supported the PTA Christmas Fayre; the festive feel has definitely settled in.

We have had several positive read-throughs for our Greatest Journey production and are becoming very confident in our singing.
